

The Hand Washing Song

Wash your hands with me.
To make them nice and clean.
Let's wet our hands.
Get some soap.
Wash your hands with me.

Scrub scrub scrub.
Rub a dub dub.
Twist your hands together!

Scrub scrub scrub.
Rub a dub dub.
In between your fingers!

Scrub scrub scrub.
Rub a dub dub.
Don't forget the top!

Scrub scrub scrub.
Rub a dub dub.
Your thumbs and then we stop!

Now it's time to rinse.
We've cleaned our fingertips.
This is the hand washing song.
